

# How to get from Wuhan to Jingmen

Wuhan is the capital city of Hubei Province. Jingmen is in central Hubei province, about 240km west of Wuhan. Since Jingmen is a city without high-speed rail and commercial airport, you can come there by shuttles or train.

Our hotel name is Chengkong Carrey International Hotel (城控凯瑞国际酒店), which located on No. 122 North YueLiangHu Road, Dongbao District, Jingmen City.

Save this photo 📷 and show your driver when needed, then he will know where the hotel is.

## Shuttle Van (Recommended)

Every 30 mins from 9:00-23:00, there will be shuttle vans from Wuhan Tianhe Airport (WUH) to Jingmen city, which can send you to the hotel directly.

The shuttle vans start from train stations in Wuhan city, pass Tianhe Airport, leave for Jingmen city. So if you want to stay in Wuhan hanging out for a couple of days, you can still take the shuttle vans to Jingmen after that.

The ticket can only be booked online in advance via WeChat mini program "荆门风行车队", and paid by WeChat as well.

Since it doesn't have an English version, and should be filled in Chinese ID & phone number. **You can simply tell us your flight number, then we can book the ticket for you.**

**Ticket Price:** ¥ 130

**Drive:** about 3 hours

**Meet Point:** Exit Gate No.3, 4th Floor of Terminal 3 (T3航站楼4楼3号门)

## Train

Another way is taking a train. Since the trains from Wuhan to Jingmen are old green trains instead of high-speed trains, it takes around 4 hours from Wuchang Station to Jingmen Station. There are only 3 trains per day with the schedule below.

You can buy train tickets online via APP ‘铁路12306’ or WeChat (Me > Services > Travel & Transportation > Rail & Flights)

It's also quite a long way from Tianhe Airport to Wuchang Station (about 41km). You can get there by taxi or subway.

**Taxi Fare:** around ¥100

**Taxi Drive:** around 50mins

**Subway Fare:** ¥8

**Subway Duration:** around 90mins

**Subway Route:** Line2 (Tianhe Airport Station→PangXieJia Station) transfer to Line7 (PangXieJia Station→Wuchang Railway Station)
